THE PERFECT BATTERY TECHNOLOGY FOR EVERY VEHICLE AND APPLICATION.

ASK FOR
VARTA®!

VARTA ProMotive AGM:

- ▶ 6 times the cycle life compared to conventional batteries
- ▶ For advanced hoteling functions with parking cooler/heater
- ▶ Designed for end-of-frame installation (EURO 5/6) due to highest vibration resistance

Unlock your trucks' full potential.

VARTA ProMotive AGM is designed for heavy commercial vehicles. It is the only battery for unlocking the highest demanding applications and power consuming functions including the parking cooler/heater without the battery wearing out and causing downtime.

The new VARTA ProMotive AGM truck battery is not only ready to cope with the challenges of today's technology. It has been designed in collaboration with leading commercial vehicle manufacturers to be ready once today's innovations have become standard features.

Patented PowerFrame® grid for reliable starting power, fast recharge and corrosion resistance.

Meets all **original criteria of the commercial vehicle manufacturer.**

For advanced hoteling functions with parking cooler / heater.

Highest **vibration resistance.**

Fulfills all of the requirements of **governmental regulations on higher emission standards.**

Suitable for **end-of-frame installation.**
